

Gift Aid Declaration

Exeter Children's Orchestra (ECO) is registered for Gift Aid. This means that we can reclaim tax from the Inland Revenue on your subscriptions and donations, at no cost to yourself (ECO cannot claim back any amounts paid for tuition). Basic rate tax is 20 per cent, so this means that if you give £10 using Gift Aid, it's worth £12.50 to ECO (that's an extra 25%).

Completing this declaration will help ECO to make the most of its income, and to continue to keep subscriptions at a reasonable level. The declaration needs to be completed once only and will then allow ECO to reclaim the tax for payments made from the date you started making donations or paying for subscriptions, or until you notify us that you wish to cancel this declaration.

We encourage you to complete the slip below, and to return it to Morwenna Mortimer or any committee member. You can use the form for a joint declaration if you wish, as long as you are both living at the same address. However, each individual will be treated as having made an individual declaration.

Please contact Morwenna on morwennafarmer@aol.com if you have any queries about the Gift Aid arrangements or email treasurer@ExeterChildrensOrchestra.co.uk

Notes:

You must pay income tax and/or capital gains tax at least equal to the tax that the ECO reclaims on your donations in the tax year (currently this is 20p for each £1 that you give).

If in future your circumstances change and you no longer pay sufficient tax on your income and capital gains, you should contact ECO to cancel your declaration.

You can cancel your declaration at any time by notifying ECO.

Please notify ECO if you change your name or address.

If you are a higher rate tax payer you can claim back the additional tax you have paid in your annual self-assessment return.
